

# How Grades Work - Honors Physics Mr. Mont

## Grades on Quizzes, Assessments & Lab Reports:

**DU = Deeply Understood. (Not available on Competency Quizzes)**

**U = Understood.**

**FIX = Understood, but small errors need to be fixed.**

**RE = Retake due to deep errors of understanding.**

**DNF = Did not finish; did not retake within the required time.**

**Retakes must be arranged outside of class time and completed successfully within one 6-day cycle. Students are given 3 extension days per marking period to cover extenuating circumstances.**

**If work is incomplete, you may still attempt to complete your work and retake, but that entire process must still be completed within one 6-day cycle.**

# How Marking Period Grades Are Determined
